Water Main Replacement Project in Downtown Wentzville Begins Tuesday, March 14

PRESS RELEASE – For Immediate Release
March 10, 2017

On Tuesday March 14, the City’s Water Division will begin replacing a water main under South Linn Avenue and Wagner Street. The project will take place in phases starting with work on South Linn Avenue. Working hours will be Monday through Friday from 7 a.m. to 6 p.m. for the duration of the project.

During phase 1, South Linn Avenue will be closed to all through traffic from 5th Street to Grove Street and street parking will be restricted. Residents who normally park in the street should try to park in their driveways.

During phase 2, South Linn Avenue will be closed to all through traffic from Grove Street to the south end of South Linn Avenue.

During the final phase, South Linn Avenue will be open and Wagner Street will be closed from South Church Street to South Linn Avenue. A lane closure is expected on South Church Street during the final week of the project. The project is expected to be completed by mid-May 2017.

For more information, please see attached maps of the Project Area. For questions, please call Public Works at (636) 327-5102.

###

The City of Wentzville provides day-to-day services that are essential to the function, effectiveness and efficiency of City operations. City departments work together to improve City services, programs, and events and to serve as a resource for its citizens and the community it serves.
