Credit Card Changes

Beginning Feb. 1, 2017, a 2% surcharge will be added to each credit/debit card payment. For the average resident paying their utility bill with a credit card, this will equal approximately $2 per billing cycle.

The surcharge will also apply to credit/debit payments charged by the Municipal Court and Parks and Recreation departments.

Don't Forget:
Yard Waste Resumes in March

Yard-waste pickup for the City of Wentzville will resume March 1 and will continue through the last week of December 2017.

- **Current Yard-Waste Subscribers**: Those who have not canceled their current service, and who were receiving service when it ended in December, will be automatically put on the list for 2017. The last day to cancel yard-waste service is April 28, 2017.

- **New Yard-Waste Subscribers**: To begin service, a 10-month commitment is required. Meaning, residents who begin the service on March 1, 2017, must keep the service through Dec. 29, 2017.

- **How does it work?** Our daily collection schedule allows us to pair your yard-waste pickup with your regular trash/recycling day. Everything should be placed at the curb by 6 a.m. Yard waste is $9 per month without a yard-waste cart or $11 per month, with a cart. If you select the $9 plan, you can place your yard waste in brown recyclable bags or in your own trash can. If you use your own can, it must be clearly marked “Yard Waste” on both sides. So that drivers can easily identify the yard-waste cans, it’s best to use City-furnished “YARD WASTE ONLY” stickers, which are available at Wentzville’s Public Works facility at 200 E. Fourth St.

- **What’s included?** Yard waste includes leaves, grass clippings, or limbs and branches. Limbs and branches cannot be more than four feet long, 18 inches in diameter, or weigh more than 40 pounds — and must be bundled. Please tie bundles with a natural twine or other biodegradable binding material.

- **What’s not included?** Yard waste does not include dirt, sod, rock, concrete, asphalt, lumber, tree stumps or logs more than 18 inches in diameter.

- **Questions?** Please call Public Works at (636) 639-2049, Monday-Friday from 7:30 a.m. to 4:30 p.m., or visit www.wentzvillemo.org and select “Solid Waste and Recycling” from the Residents tab.

W.I.N.D. System Sends Alerts by Phone, Text or Email

Did you know the City has an emergency notification system in place? The W.I.N.D. system (or Wentzville Information Notification Delivery) is used to notify residents and business owners about imminent threats to health and safety. Public safety officials may send alerts about emergencies, including severe weather, water outages, traffic issues and critical police activity. If you sign up for City announcements, you will receive information on the topics you designate.

Those who sign up can receive alerts by phone, by text and/or by email. To sign up, visit http://bit.ly/signupforWIND. Please note: If you’ve signup previously but your contact information has changed, you must update your profile with the new information. To learn more, please visit http://bit.ly/WINDAlerts.
