Trash, Recycling and Yard Waste

Collection Holidays for 2018

Trash/recycling and yard waste collection observes six major holidays per year. The holidays are only observed, however, when they fall Monday through Friday. When these holidays fall on a weekday, collection will occur one day later than normal. This will also impact the collection days that fall after the holiday during that week. If the holiday falls on a Saturday or Sunday, the schedule will not be affected.

For example, Memorial Day falls on a Monday; so, Citywide trash/recycling and yard waste collection will be delayed by one day. This means that residents that typically have collection on Monday, will have their pickup moved to Tuesday; Tuesday’s pickup will move to Wednesday, and so on. Residents who typically have collection on Friday, will have their pickup moved to Saturday. Below is a list of the 2018 trash/recycling and yard waste holidays.

- Memorial Day (May 28)
- Independence Day (July 4)
- Labor Day (Sept. 3)
- Thanksgiving Day (Nov. 22)
- Christmas Day (Dec. 25)
- New Year’s Day (Jan. 1, 2019)

Don’t Forget:
Yard Waste Resumes in March

Yard-waste pickup for the City of Wentzville will resume March 1 and will continue through the last full week of December 2018.

- **Current Yard-Waste Subscribers:** Those who have not canceled their current service, and who were receiving service when it ended in December, will be automatically put on the list for 2018. The last day to cancel yard-waste service is April 27, 2018.

- **New Yard-Waste Subscribers:** To begin service, a 10-month commitment is required. Meaning, residents who begin the service on March 1, 2018, must keep the service through Dec. 28, 2018.

- **How does it work?** Our daily collection schedule allows us to pair your yard-waste pickup with your regular trash/recycling day. Everything should be placed at the curb by 6 a.m. Yard waste is $9 per month without a yard-waste cart or $11 per month, with a cart. If you select the $9 plan, you can place your yard waste in brown biodegradable bags or in your own trash can. If you use your own can, it must be clearly marked “Yard Waste” on both sides. So that drivers can easily identify the yard-waste cans, it’s best to use City-furnished “YARD WASTE ONLY” stickers, which are available at City Hall (1001 Schroeder Creek Blvd.).

- **What’s included?** Yard waste includes leaves, grass clippings, or limbs and branches. Limbs and branches cannot be more than four feet long, 18 inches in diameter, or weigh more than 40 pounds — and must be bundled. Please tie bundles with a natural twine or other biodegradable binding material.

- **What’s not included?** Yard waste does not include dirt, sod, rock, concrete, asphalt, lumber, tree stumps or logs more than 18 inches in diameter.

- **Questions? To sign up or get more details,** please call Public Works at (636) 639-5102, Monday-Friday from 8 a.m. to 5 p.m., or visit www.wentzvillemo.org and select “Solid Waste and Recycling” from the Residents tab.
