**Get Active—Get Healthy**

Wentzville Parks & Recreation offers the opportunity to get active and improve your health. Progress Park is the place to achieve your New Year’s resolution at an affordable rate. There are classes available for both adults and children. Sign up for one of our Zumba Fitness or Yoga classes. There is a Men’s “Snowball” Softball Recreational Tournament in February for those getting the itch to get out and play. The Kid Power class is a blast for children ages 7-18 and it includes exercise, games and lots of fun. Check out additional programs in Wentzville’s Fun Times Brochure and in the Parks and Recreation section of the City’s Web site at www.wentzvillemo.org.

**Residents Must Move Cars off Streets When Snow Emergency Is Issued**

Pursuant to Ordinance 3190 whenever five inches or more of snow are predicted, City policy calls for the Mayor to issue a snow emergency. When a snow emergency is issued, all City streets MUST be cleared of all vehicles. Snow emergency announcements will be posted on the City’s Web site, sent out via the W.I.N.D. system, and retransmitted to radio and television stations. In some instances, there is not enough room for snowplow crews and the streets must be left unplowed. Moving your car off the street anytime snow is predicted will not only help snowplow crews and your neighbors, it will also help you. Failure to abide by the order could result in fines and other penalties including towing expenses.

**Utility Service Center Lobby Closing**

Effective January 2, 2014 the lobby will be closed at the Utility Service Center located at 5 W Pearce Blvd. Payments may still be made at this location by utilizing the drop boxes provided or by Drive Up Service on the North side of the building. Lobby services will still be available at City Hall and Public Works.
