**Summer Construction Projects**

Several major road projects scheduled for construction in Wentzville this summer may impact travel times.

- First, the City is adding a center turn lane on Wentzville Parkway from William Dierberg Drive to Schroeder Creek Boulevard.
- The City is also scheduled to contract for full pavement reconstruction on Corporate Parkway with work expected to begin in mid-July.
- Also in July, MoDOT expects to begin construction of a roundabout at the all-way-stop intersection of Highway Z at Church Street and the west-bound off-ramp from Interstate 70.
- A considerable amount of slab replacement is also scheduled throughout Wentzville subdivisions during the summer months as well.

Please drive safely this summer. For more detailed information, please visit [http://www.wentzvillemo.org/engineering-project-updates.aspx](http://www.wentzvillemo.org/engineering-project-updates.aspx).

**Hazardous Waste Drop-Off**

Each year, from May 1 through Sept. 30, St. Charles County residents may safely dispose of Household Hazardous Waste that is not typically collected through curbside recycling programs. Residents may bring unwanted items such as chemicals, auto fluids, pesticides and oil-based paints (no latex paints) to the **Recycle Works Central** location (60 Triad South Drive in St. Charles) from 9 a.m. to 3 p.m., Tuesdays through Fridays, and the last Saturday of each month, with no appointment necessary. There is a $15 fee for loads up to 50 pounds. For larger loads, the fee is the base $15, plus an additional $1 for each pound of material above 50.

**Recycle Works West**, located at 2110 E. Pitman Ave., in Wentzville, also accepts other recyclables (not including household waste). Visit the County’s website at [http://bit.ly/hazardouswastedropoff](http://bit.ly/hazardouswastedropoff) or call (636) 949-1800, for a list of materials accepted at each facility.

**2014 Consumer Confidence Report**

The Annual Water Quality Report (Consumer Confidence Report or CCR) is intended to provide you with important information about your drinking water and the efforts made to provide safe drinking water to Wentzville residents. For 2014, there were no violations.

A copy of the complete 2014 CCR can be found at the “direct delivery” URL: [http://www.dnr.mo.gov/ccr/MO6010849.pdf](http://www.dnr.mo.gov/ccr/MO6010849.pdf).

If computer access isn’t available, a hard copy can be requested and mailed to you by contacting the City of Wentzville’s Water Division at (636) 639-2062, ext. 4.

- Your Solid Waste & Recycling collection schedule will not be affected by this holiday.
- Don’t miss all of the fun festivities planned for Saturday, July 4. See the back page for more details!
July 2015

*These meetings will be held at City Hall (310 W. Pearce Blvd.). All meetings are subject to change. Please check the Calendar of Events at www.wentzvillemo.org for the most up-to-date information.
