Concrete Slab Replacement Projects

In response to resident input, the City’s elected officials have once again focused their attention on the annual street maintenance program. In 2016, $2.9 million has been approved by the Board of Aldermen for contracted street maintenance projects to improve the condition of collector and neighborhood streets. The City annually reviews all City streets and develops a cost-efficient schedule specifically to replace deteriorated concrete slabs based upon individual concrete slab condition. To equitably select these slabs, City staff performs field inspections and uses GPS equipment to identify the street segments that are in the worst overall condition within the City. This information is processed with in-house engineering staff to cost effectively prepare the annual slab replacement program. For more detailed information, including a list of 2016 projects, please visit bit.ly/engineeringprojectupdates.

Hazardous Waste Drop-Off

From leftover cleaning supplies to lawn-care products and other chemicals, the average home stores more than 100 pounds of unwanted and potentially harmful threats to the environment and the ones we love. Each year, St. Charles County residents are given the opportunity to dispose of their Household Hazardous Waste (HHW) at both Recycle Works locations. Collections are accepted now through Sept. 30 from 9 a.m. to 3 p.m., Tuesday through Friday, as well as the last Saturday of each month from 9 a.m. to 3 p.m., with no appointment necessary.

Residents may bring unwanted HHW items such as chemicals, auto fluids, pesticides and oil-based paints (no latex paints) to the Recycle Works Central location (60 Triad South Drive in St. Charles) or the Recycle Works West location (2110 E. Pitman Ave. in Wentzville). For a list of materials accepted at each location, visit the County’s website at http://bit.ly/recycleworks.

July 4: Liberty Fest, Holiday Hours and Trash Collection

Join us for Liberty Fest at Progress Park on July 4! The Progress Park Pool will offer FREE swim from noon to 5 p.m. Visit http://bit.ly/Wentzville_SpecialEvents for more details. City offices, including the Parks and Recreation office, will be closed Monday, July 4.

Due to the holiday, trash/recycling/yard waste collection will run a day late. Monday’s collection will move to Tuesday, Tuesday’s will move to Wednesday and so forth, ending with Friday’s collection taking place on Saturday, July 9.

Fireworks

- Fireworks cannot be used within City Limits, EXCEPT between the hours of 5 and 10 p.m. and ONLY on Monday, July 4.
- These restrictions will be strictly enforced. Outside of this timeframe, summonses may be issued and fireworks may be confiscated.
- Take precautions when shooting off fireworks and please be mindful and courteous of your neighbors.

TO REPORT ILLEGAL USE OF FIREWORKS, PLEASE CALL (636) 327-5105.

2015 Consumer Confidence Report

The Annual Water Quality Report (Consumer Confidence Report or CCR) is intended to provide you with important information about your drinking water and the efforts made to provide safe drinking water to Wentzville residents. For 2015, there were no violations.

A copy of the complete 2015 CCR can be found at the "direct delivery"http://dnr.mo.gov/ccr/MO6010849.pdf.

If computer access isn’t available, a hard copy can be requested and mailed to you by contacting the City of Wentzville’s Water Division at (636) 639-2062, ext. 4.
